PRESS RELEASE: 1 April 2008
'DEEP END' TITLE LISTED AS CBCA NOTABLE BOOK

The Children's Book Council of Australia (CBCA) has listed THE SCRIBBLER by Amanda Graham and Greg Holfeld as a 'Notable Australian Children's Book' under the Eve Pownall Information Book Award category for 2008.

Author: Amanda Graham

Illustrator: Greg Holfeld

THE SCRIBBLER, from Era's DEEP END Series, is a biography by Amanda Graham, which takes you into Greg's life as an artist. You will discover how animated films are created, how a book is illustrated, how to become an artist and what's missing from Greg's shed!

At a deeper level, THE SCRIBBLER is about being creative. It is also about observation, imagination, hard work, passion and developing what you are good at. Amanda Graham is one of Era's longest standing and most prolific authors (and illustrators). She has previously been short listed for the CBCA Picture Book of the Year for her internationally successful children's book ARTHUR.

Greg Holfeld has been drawing for as long as he can remember. He is an animator, an illustrator and a storyteller. But he likes to be known simply as 'the Scribbler'. He has illustrated 20 books for Era ... so far.
